

From Editor's Desk

Dear LIS Professionals,

With immense pleasure I am presenting before you the 3rd issue of the Journal of Indian Library Association (JILA) for the year 2021 i.e. Vol. 57 (3), July – September, 2021. I thank the Editorial Board for their efforts and support in bringing out the JILA time to time even during the pandemic. I hope the same kind of cooperation will be received in future endeavours of JILA. I also thank the Managing Editor for his selfless efforts and bringing JILA timely even during his tough time.

The present issue contains fifteen articles viz. Information Needs and Information Seeking Behaviour of a Tribal Community - A Study on Selected Blocks in West Bengal by *Supriya Mallik and Nivedita Bhattacharyya Sahu* / Support Vector Machine (SVM) Research in India: A Scientometric Evaluation of India's Publications Output during 2002-19 by *B.M.
